

The Test and Research Institute Pirmasens (Prüf- und Forschungsinstitut Pirmasens e. V.) announces

Important Changes in the Area of Test Equipment

Ladies and Gentlemen,

With this letter we wish to inform you about the following changes:

As of 30 April 2018 the International Shoe Competence Center Pirmasens gGmbH (ISC Germany) will be responsible for construction and sales of standard test machines for footwear, leather, and textiles.

In order to continue to offer the same high standards of quality and professional service, we have decided to transfer responsibility for this business area to our subsidiary. Our existing General Conditions of Sales and Delivery will initially continue to apply. Please direct all future orders to:

The transition should be as smooth as possible. However, if any slight delays should occur in order processing during the first few days please accept our apologies in advance. Please do not hesitate to contact us at PFI and ISC if you have any questions.

We wish to express our thanks for your loyalty to PFI and look forward to continuing our successful cooperation.

Sincerely,

Your PFI Team
